

Payment Plan

If you are interested in paying Program Fees on a weekly or monthly basis, we can help you arrange this.

After you have remitted the Registration Processing Fee of \$25.00, you may request to pay the Deposit and Program Fee in installments, with the final payment being due on the opening day of the camp session your child/family is attending. Please call our Administrative Office, and we will be glad to discuss the details and set up a payment plan that works for you.

Please call our office as early as possible in the year to allow for maximum flexibility in payment options.
